Christina Executive Trainer Jane Addams Resource Corporation

I've worked at JARC for 8 years now. It is a center for working families that focuses on job training and workforce development. I lead the training programs, which target strategic skills gaps in the manufacturing and IT sectors.

[Going off to college for journalism/public relations; need a laptop to succeed](#)

Member: Mary (Chicago, IL)

Validator: Ed, Metrosquash

I've dreamed of being a public speaker & writer my whole life. My family can't afford to get me a laptop but I need one to write papers & do research. [More](#)
