### Finishing my graphic design degree and need a laptop to do homework

Member: Charlize (Chicago, IL)

Validator: Youth Job Center

In the past year I went from living in a shelter to getting back onto my own two feet. I'm ready for school and a career that'll support my family. [More](#)

### Advanced software training will help me compete for jobs that can sustain my family

Member: Victor (Chicago, IL)

Validator: Youth Job Center

My daughters need their dad to be able to provide. Help with the cost of training + transportation to get to classes will help me become a programmer. [More](#)
